

Disturbing The Piece

Denis Hunsinger has always loved Tom Petty. From his earliest hits to his last performances, Denis was there cheering him on.

His voice matches Tom Petty very closely, and his band has mastered the Heartbreakers music.

Denis has been performing the music of Tom Petty at venues in the Southwest for over ten years at bar rooms, outdoor events, fundraisers and charity happenings.

He was heartbroken when Tom died far too young, and has decided to memorialize the amazing and authentic American voice of Tom Petty and the Heartbreakers with a tribute act.

Inspired by the creative genius of Tom Petty, Denis has recently been composing powerful and heartfelt songs based on his life experiences.

Go on a nostalgic trip with *Disturbing The Piece*, relive the times when our hearts were young, and we were raised on promises and desperate moments.

Backed by drummer Steve McKnight, bassist Jarod Teichmer and Keyboard player Johnny Lightning they recreate the excitement of a Tom Petty show.

Don't miss these amazing performers.

Songs include both well and little known gems from throughout Tom Petty's catalog.
